

## EITGRADUATE ONLINE

# POSTGRADUATE CERTIFICATE 2021\*

## STUDY WITH US FROM WHEREVER YOU ARE!

EIT has introduced an exciting suite of Postgraduate Certificate programmes starting online in 2021. Designed with an industry focus, these cutting-edge programmes are taught by world-class lecturers who are experts in their field. You'll also receive one-to-one attention to make sure you get the support to succeed while becoming a valued part of the EIT community.

Studying for a Postgraduate Certificate gives you the choice to exit on completion with a stand-alone, globally recognised qualification or pathway into further postgraduate study at EIT.

If you are also planning to complete a Postgraduate Diploma or Masters, this means that you could gain two qualifications; a Postgraduate Certificate in one specialisation and a Postgraduate Diploma or Masters in another area of study.\*

The Postgraduate Certificates available include:

- Applied Management
- Business Analytics†
- Digital Business
- Information Technology
- Logistics and Supply Chain Management

Qualification	Postgraduate Certificate
Level	Level 8
